

REMARKS

A Terminal Disclaimer disclaiming over U.S. Patent No. 7,020,537 is filed with this Amendment.

In view of paragraphs 16-21 on pages 5-6 of the 11/06/2007 Office Action, the claims have been amended to place the Application into condition for allowance. All of the withdrawn claims (103, 109, 112-119 and 133) have been cancelled. Claims 101 and 127, rejected over prior art at paragraphs 7-9 of the 11/06/2007 Office Action, have been cancelled. Rejected claim 130 has been amended to include the content of cancelled claim 131. In view of paragraph 19 of the Office Action, amended claim 130 is now allowable. Claim 132, indicated to be allowable at paragraph 20 of the Office Action, has been rewritten into independent form. Rejected claim 141 has been amended to include the content of cancelled dependent claims 145 and 146. In view of paragraph 21 of the Office Action, amended claim 141 is now allowable.

As the Application is now believed to be in condition for allowance, a Notice of Allowance is requested.

Dated: March 27, 2008

Respectfully submitted,
